PROFESSIONAL SUMMARY

Final-year B.Sc. IT student and Student Council President with hands-on experience building full-stack AgriTech applications using React and Flask. Holds certifications in Generative AI (Microsoft Learn) and AI automation. Combines strong technical foundations in Java, C++, HTML/CSS, and JavaScript with proven leadership — having organized inter-collegiate events and led teams of 22+ members. Eager to contribute problem-solving skills and AI literacy to a forward-thinking IT organization.

TECHNICAL SKILLS

Programming Languages: Java, C++

Web Technologies: HTML, CSS, JavaScript

Frameworks & Libraries: React, Flask

Databases: PostgreSQL (Render)

PROJECTS

Dairy Pro Connect | AgriTech SaaS Platform

App : <https://dairy-pro-connect.vercel.app/>

Technologies: React · Flask · Brevo API · PostgreSQL (Render)

- Digitized milk collection processes for rural communities, eliminating paper-based record-keeping.
- Implemented automated reporting and real-time data analysis pipelines, achieving a 70% reduction in administrative overhead.

- Designed and deployed a full-stack SaaS architecture with secure REST APIs and a responsive React frontend.

LEADERSHIP EXPERIENCE

Student Council President · Gyanodaya B.Sc. IT College

- Elected as Student Council President, representing the student body in academic and administrative matters.
- Organized campus events and maintained communication between students and faculty leadership.

Contingent Leader — Gyanotsav Inter-Collegiate Festival · Gyanodaya B.Sc. IT College

- Led a contingent of 22+ members representing the college at an inter-collegiate cultural festival.
- Coordinated event logistics, task delegation, and real-time communication across the team.
- Ensured smooth participation across multiple events through planning and on-ground coordination.
